I'll suggest Heather ask for an extension until the 15th, given the holiday weekend (and then hopefully we can get this finished by the 14th).

If the files are in good shape, Jennifer did you (or anyone else) have any edits to the note I wanted to send along with the files?

Good afternoon,

Attached please find ORD's response to GAO's statement-of-facts on the IRIS portion of the EPA's Chemical Management Strategies review (GAO Job Code 102673).

Along with the response file, attached are additional PDF's of documentation that may assist with clarifications. Please note we will be following up with some additional materials in the near future.

Thank you for the additional time to provide comments. If there are any questions or additional information is needed, please reach out. Thank you.

Summer, Alisa, and Diane,

Good afternoon. ORD senior management is working diligently to finalize edits and comments to the Statement of Facts. However, the edits and comments will not be available by COB today. ORD senior management requires another extension for a few more hours to finalize our response; we are committed to submitting fully-developed comments no later than COB Wednesday Nov 7th.

We apologize greatly for the delay. As soon ORD's comments are ready tomorrow, we will immediately send them. Thank you.
